spoken form, including presentation skills.	<p><i>challenges in pinpointing key passages. This is also an issue with some of your assignment work, as reflected in your tutor's comments. Clarity is key in academic work since you need to be able to construct and present a clear argument, and this often requires quite ruthless editing as well as the removal of 'the self'.</i></p> <p><i>You were also required to use the Harvard referencing system rather than footnotes.</i></p>	<b>16</b>
<b>Overall comments and feed-forward</b>	You have produced a commendable amount of work and have clearly gained a lot from your studies. For any future academic work aim for a concise (and thus more effective) approach.	<b>Total mark (%)</b>
